

## **VOLUNTEER POSITION DESCRIPTION BEHAVIOR**

### **TITLE:**

Play Group Leader BH-PG rev. 3/30/22

### **MAJOR OBJECTIVE:**

Playgroups provide dogs with exercise and social interaction with other dogs.

The benefits of playgroups include:

- Freedom: Off-leash and out of kennel time for dogs is invaluable for burning off energy and reducing stress so dogs are more relaxed during training and when meeting potential adopters.
- Learning: Interaction with their own species can help dogs to gain social skills that may improve their ability to play and interact with other dogs after adoption.
- Better understanding center dogs: Time spent in playgroup is time spent observing dogs; knowing more about our dogs allows us to do a better job finding the perfect home.
- Fun: Everyone enjoys seeing dogs have so much fun!
